

## Mentor Acknowledgment – K-12 Education Practicum

A large part of what will make the practicum successful is communication between you and your mentor. This form provides an opportunity to discuss specific assignments you are required to complete as part of your coursework. Additionally, it will help establish a schedule so both you and your mentor know when you are expected to be in the field classroom for observation hours, as well as your official start date.

**Delta Student Name (Printed - First and Last):** \_\_\_\_\_

**Mentor Teacher Name (Printed - Title, First, and Last):** \_\_\_\_\_

For each item below, a signature line is provided for both you and your mentor teacher. Please note, a physical signature is necessary from both parties in order for this form to be considered complete.

1. The Delta student has provided the *Mentor Teacher Packet* in either physical or digital form.
